*"Method of Modulating Neutralizing Antibodies Formation in Mammals,  
and Uses Thereof in Gene Therapy, Animal Transgenesis and in Functional  
Inactivation of Endogenous Proteins"*  
**Inventor:** Amine Abina

Dear Ms. Kinard:

A Revocation of Power of Attorney with New Power of Attorney and Change of Address was filed in the subject application on October 25, 2004. In reviewing the public PAIR system, it has been noticed that the revocation and new power of attorney has not been entered into the record of the subject application. Moreover, the IFW simply contains a copy of the transmittal letter submitted with the October 25, 2004 submission and not the actual revocation and new power of attorney which was executed by the inventor.

Therefore, pursuant to a telephone conversation earlier today with an individual in your office, attached hereto is a copy of the October 25, 2004 submission (along with the PTO date-stamped postcard receipt). Your assistance in having the revocation and new power of attorney entered as soon as possible would be appreciated. If you have any questions, please do not hesitate to contact our office.

Respectfully submitted,

Theresa Stanek Rea (Reg. No. 30 427) & Susan M. Dadio (Reg. No. 40 373)
